

Asilbek Tursunov

FRONTEND DEVELOPER

About me

Self-motivated Frontend Developer with 2 years of experience in building modern and responsive web applications using **React** and **Vue**. Successfully completed over 20 personal and team-based projects, gaining strong skills in component-based architecture, state management, and UI libraries. Learned through self-study and online courses, demonstrating the ability to quickly adapt, solve problems, and deliver quality solutions. Passionate about writing clean code, improving user experience, and contributing to collaborative development environments.

Education

Bachelor, Fergana State Technical University, Fergana

SEPTEMBER 2019 – MAY 2025

I pursued a degree in **Computer Engineering**, studying 2 years full-time and 3 years part-time at university. During my academic journey, I covered a broad range of subjects including computer systems, networking, and internet service providers. As I progressed, I chose to specialize in **Web and Mobile Development**, dedicating myself to mastering frontend technologies and gaining in-depth knowledge in building modern web and mobile applications.
